Dear Member:

This letter affords us the opportunity to transmit to you a few words of greeting with advent of another active season in our lovely community.

Many of you are now year-round residents and participate in such winter activities as iceskating, icefishing, skiing, etc. But, for the majority of our members, the summer season is the one giving them the most pleasure. One can note the increased occupation of many of these members, both inside and outside of their cottages, following the winter's lull.

We welcome you, one and all, at this time, with our sincere wish that the coming season will be a most successful and happy one for you, your families, relatives and friends.

Your Board of Governors has had monthly meetings this winter. Our letter of March 5th last bears repeating, with particular reference to the request of directing any and all inquiries and suggestions to the respective committee chairmen to facilitate action. Your careful cooperation will be appreciated.

Several important aspects of your Association's responsibilities are drawn to your attention at this time. One item is of major importance to you individually for protection of your property investment. Your Board of Governors requests your serious attention to close cooperation with Mr. Chet Brundage, chairman of our Membership Committee, in relation to this item. We have all agreed not to rent or sell without proper approval of the Board. This agreement has been violated a number of times, which is unfair to all members generally and particularly to nextdoor neighbors. Requisite form obtainable from Chet Brundage should be executed without fail prior to any rental or sale of a cottage.

You will be pleased to know also that the Clubhouse project is making favorable progress. It is now anticipated that sometime this season, Mr. Ray Johnson, chairman of the Clubhouse Construction Committee, with the cooperation of the members' "sweat and toil" manpower, will have the roof installed. With this accomplished, certain activities will be enjoyed by the membership in the pavilion-type structure.

The customary regulations will govern this year again, for the guidance of our boat-owners; namely:

April 1, 1959.

BOAT SPACES WILL BE ALLOCATED IN ORDER OF RECEIPT  
OF DUES AND DOCK FEES, UP TO MAY 15TH FOR FORMER  
SPACE OWNERS.  
NEW APPLICATIONS WILL BE ALLOCATED AFTER MAY 15TH

You will be notified in due time when the Association's  
Annual spring meeting is scheduled.

Again, with best wishes for a most enjoyable summer season,

Cordially,

ON BEHALF OF BOARD OF GOVERNORS:

Charles H. Schaub,  
President.
