Fellow Members of W.S.P.O.A.:

You recently received a long letter from your Nominating Committee in which they complained bitterly because four responsible men had the AUDACITY to offer themselves to you as candidates in our forthcoming September 2nd election in opposition to their hand-picked men. Is this a dictatorship where honest, competent opposition is forbidden???

Ronald Rosica has stated that he had preliminary approval as a candidate from Henry Heidorn, Chairman of the Nominating Committee BUT Ron made a "fatal mistake." A few days later he had the honesty to question the set-up of our water system. Could we call it a mere coincidence that from this point on, Rosica was considered no longer acceptable??? The reason given to you people was that he lived on Ridge Road. Fantastic as this might seem, just read the Committee's letter to find the proof as to Ridge Road.

Charles Lord also made a "fatal mistake." Charles made his the day he was born by selecting William Lord as his father. Mr. William Lord, a gentleman and scholar, has over the years shown courage and integrity by opposing the kingmakers in our community. It is my opinion that the kingmakers are afraid that Charles Lord may be a chip off the old block.

SOME NEWS FOR THE NOMINATING COMMITTEE - -

- 1: This committee, which should remain NEUTRAL, has seen fit to publicly denounce those individuals who have DARED place their names in opposition to the hand-picked Committee candidates. Since the Committee can't, or will not, serve the good of the membership by remaining NEUTRAL, I believe this present committee should be abolished.
- 2: Wildwood Shores P.O.A. can use all the good men willing to serve, without pay, it can get -
REGARDLESS OF WHAT AVENUE THEY LIVE ON.....

If you want future elections where you will have a choice instead of being asked to elect unopposed, hand-picked candidates,

VOTE FOR: Robert Botti Bill Sutphen Charles Lord Ron Rosica

When these men run for re-election three years from now, they will welcome opposition. It is the American way of doing things!
