IMPORTANT NOTICE

Dear Member,

The Association has been notified by the Hopatcong Fire Department that the present condition of our Club House is in direct violation of the Fire Codes of the Borough of Hopatcong.

We, as your Board of Governors, have voted against assessing you, the members of this Association, for the cost of its repair. However, our current financial status prevents us from funding these repairs from our treasury.

Therefore, the Board of Governors has decided to hold our annual 50-50 drawing this year to defray a major portion of the cost of these repairs.

We are making this appeal to you for your full support of this endeavor. A member of the Board of Governors will be contacting you to discuss the details. If you wish direct information, details will be given at the Spring Meeting, this Saturday, June 29th at 10:00 A.M. at the Club House or by contacting the following:
