All committees welcome members and ideas; the more people who contribute the better. Save this list and use it!

We also want to include a reminder of summer events that are taking place in Wildwood Shores:

SCAVENGER HUNT - Thursday, 6:30 p.m., July 22, at the Clubhouse  
run by the Children's Committee

BICEN. BEEFSTEAK - Saturday, 7:30 p.m., July 31, at the  
Clubhouse run by Entertainment Comm.  
Reservations are still available.

AUCTION - Mid-August, at the Clubhouse, run by Ways & Means

LABOR DAY PICNIC - run by Children's Comm. and Entertainment Comm.

Although those members who attended our 4th of July Picnic had a great and enjoyable day together; the overall turnout was rather low. So before we plan to have swimming races and a covered dish dinner over the Labor Day weekend, we want to know if community support and participation can be counted upon.

The swim race forms are now being distributed by our instructor Ann at the pool. They are also available from Priscilla Sutphen and Adrienne Ruprecht. The return of these applications from the children and their enthusiasm will help us decide whether or not the swimming races will take place.

The covered dish dinner and softball game at the Clubhouse seem to be enjoyed by all the adults and children alike as one of the highlights of our summer. If you want these Labor Day events to take place, let us hear from you. As was stated before: all committees welcome members and ideas.

Wishing everyone a safe and enjoyable summer.....

Sincerely,

*Peter B. Ruprecht*
