Wildwood Shores Property Owners' Assoc.  
Board of Governors  
Hopatcong, New Jersey

Dear Mal and Board Members:

I deeply regret that the pressures of my Borough and personal responsibilities force me to resign my position as recording secretary for W.S.P.O.A.

I want to thank the Board of Governors for giving me the opportunity to serve my community. The experience has been interesting, educational, and enjoyable. The Presidents and Secretary/Treasurers and various Board Members I have worked with have made this job a pleasure. I particularly want to thank Al Wakefoos, who has been supplying copies of our Board minutes; saving me a great deal of work and time and the Association considerable money.

Wildwood Shores is a very special place. I hope that at some future date I can again serve this community in whatever capacity the Board feels my "talents" can best be utilized.

I wish you all God's speed in your endeavors to preserve the best of the past, select the most promising of the present, and strive for the highest ideals of the future for Wildwood Shores.

Sincerely yours,

Adrienne Ruprecht
