

WILDWOOD SHORES PROPERTY OWNERS' ASSOCIATION

An Association Not for Profit, Incorporated Under New Jersey Laws

BOX 601

HOPATCONG, NEW JERSEY 07843

May, 1979

Dear Members,

Well, another summer season will soon be here, and needless to say, I hope it will be better than our winter was.

We not only suffered problems with our private homes, but with our beaches and docks as well.

As you know your Board is trying to keep expenses down, however, certain things must be done in order to operate.

We have been working hard to come up with a plan that would please everyone in the Association. After our loan has been paid off we are thinking of having two funds. One our general fund which is made up from our dues, and also, a mooring fund which comes from our dock space rentals. This fund would be used to repair our docks, slips, planks, etc. This way our members can be sure they are not subsidizing boat owners. Our dues and what ever other income we have can be used to pay bond holders.

We have started to do exactly that in May. We will pay as many as our means will allow, and as fast as we can. So please pay your dues and help us eliminate this debt.

We have many other things on our agenda, therefore, please make a note of the date for the General Meeting and please attend. The date is SATURDAY, JUNE 23, 1979 at 10 A.M., at the Clubhouse.

We have many new members, to you I invite you to come to the meeting. Meet your neighbors and your Board of Govenors, and voice your opinions. To our older members, come and be active again. Let us bring our association back to where it was.

Let us clean up our community, our own properties so we may enjoy the reputation we have always had.

Let us also not forget our children in Wildwood Shores. If we want them to do things for us, we must do something for them.

We can only solve our problems if we work together, so again, please attend our Spring meeting and speak up.

I hope to see you all soon, until then keep well and safe.

Very truly yours,

Orlando Malanga
