If you would like to nominate a person, you may do so from the floor at the meeting. The Board will also elect its new Officers for the year.

Important topic of discussion will be the 10:00 PM curfew at our docks and beaches.

The upcoming construction and repair Committee! This year the lake will be lowered for inspection and repair of our docks and beaches. We need construction type people to inspect our facilities and prepare a proposal as to what type of repairs will be needed.

If you are a member of W.S.P.O.A. with outstanding dues, please come forward and meet your financial obligations. Your Board of Governors was charged by a unanimous vote at the last General Meeting to total and show proof of all back dues owed and present these findings to an attorney for collection.

I would like to thank all those who have worked and donated their time to make Wildwood Shores a pleasant community to live in.

Very truly yours,

Al Wakefoose, President
