*An Association Not for Profit, Incorporated Under New Jersey Laws*

BOX 601

HOPATCONG, NEW JERSEY 07843

June 1982

Dear Members:

The General Membership Spring Meeting will be held on Saturday, June 26, 1982 at 9:00 AM.

An amendment to the bylaws will be introduced providing compensation for the position of Secretary-Treasurer. This has been prompted by the increasing time requirements and complexity of the duties involved with this job.

Also under discussion, will be possible alternative uses for the Club House property. The cost of necessary repairs are excessive in view of the limited use the building now receives. Suggestions have included an adult recreation area consisting of tennis, racquet ball and/or hand ball courts. We are interested in your ideas too!

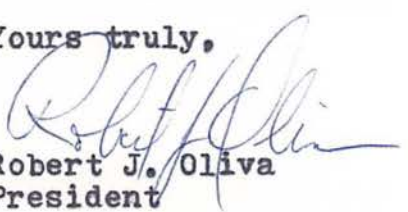

A Contractor has been selected to refurbish the moorings at Pebble Beach. Pilings will be repaired or replaced, a new cable will be strung and the dock surface will be treated.

Those of you who attended the recent meeting of the Wildwood Shores Water Company are aware that Domenic Franchino and Bill Honchar are planning to retire from their posts as Trustees. They are to be commended for the excellent voluntary service they have provided us over the past years.

If any members are interested in being appointed to vacant seats on the Board of Governors, please submit your request to me in writing.

We hope to see you at the Meeting!

Yours truly,
