

WILDWOOD SHORES PROPERTY OWNERS' ASSOCIATION

An Association Not for Profit, Incorporated Under New Jersey Laws

BOX 601

HOPATCONG, NEW JERSEY 07843

June 1, 1983

Dear Members:

HELP WANTED!

A few good people are needed to help get our beaches in shape for the season. The Docks and Beaches Committee (Chris Hardy, George Kimmerer, Tony Coughlin and Richard Kolucki), will start at Sand Harbor at 9:00 AM Saturday, June 18, 1983. If we all did our share, we could unburden the few dedicated individuals that regularly do this work.

The Annual Spring Meeting will be held on June 25, 1983 at 9:00 AM at the Club House. Following the usual Committee Reports, the meeting will be open to the membership to discuss any matters concerning them.

We took advantage of the lake being lowered last fall to make some necessary repairs. We are fully aware of the condition of the Sand Harbor mooring facilities but our first priority was to repair and increase the number of slips at Pebble Beach. George Kimmerer has been in contact with a contractor to complete repairs at Sand Harbor as soon as possible.

Agnes Philblad has reported that the Association's attorney has had continued success in collecting unpaid dues. Although it is unfortunate that several cases required court appearances, the legal obligation of members to the Association has been firmly established.

Several suggestions have been presented to me for possible activities for adults and children. We will post sign-up sheets at the meeting to get an indication of your interest.

Hope to see you at the meeting. Come early ----- beat the crowd.

Very truly yours,

Robert J. Oliva
President

June 1, 1968

Dear Members:

Annual Meeting

A few good people are needed to help set our agenda for the season. The books and lesson committee (George Harty, George Harty, Tony, Carolyn and Richard) will start at 8:00 AM Saturday, June 1, 1968. If we did our agenda, we could understand the few dedicated individuals that remain to this work.

The Annual Spring Meeting will be held on June 2, 1968 at 10:00 AM at the Club House. Following the usual Committee Reports, the meeting will be open to the membership to discuss any matters concerning them.

We took advantage of the late spring weather last fall to make some necessary repairs. We are fully aware of the condition of the Sand Harbor morning facilities but our first priority was to repair and increase the number of slips at Sand Harbor. George Harty has been in contact with a contractor to complete repairs at Sand Harbor as soon as possible.

James Whiting has reported that the Association's attorney has had continued success in collecting unpaid dues. Although it is unfortunate that several cases remained court judgments, the local collection of members to the Association has been timely established.

Several questions have been presented to me for possible activities for adults and children. We will post sign-up sheets at the meeting to get an indication of your interest.

Hope to see you at the meeting. Be a early ----- and the crowd.

Very truly yours,

Robert J. Oliver
President
