Committee Reports

Docks AND Beaches- The Pool needs a railing. There are 7 dangerous steps. We got a rough estimate of \$ 150.00. The beach will not be insured if the railing is not in. It was also suggested that a center railing be put in at Sand Harbor.

Treasurer's Report- enclosed- 54 houses and 5 lots have paid.

Boat Moorings- There are 3 usable spots left at Pebble and 1 spot left at Sand Harbor. We have 15 paid Boat Moorings.

Legal - We take our depositions this week to Morristown. Then we will wait for a court date.

Roads- Agnes went to Mr. Bender about Bass Rock- He will not take 2 payments. He suggested that we have the road paved in thirds.

Entertainment- nothing new

New Business- George Kimmerer wants to buy a small piece of property- the right away to Pebble Beach- to add to his existing property. He asked the board if there were any objections. There were no objections so he will be looking into it.

Associate memberships will be discussed at a future meeting.

Lamia wants a boat slip. It will be given on a 1 year basis.

We need a board member on the water company. Mike Landolfa volunteered.

It was suggested that the Entertainment committee look into Borough Day.

There was no other new business.

The meeting was adjourned at 9:15 pm      Respectfully submitted,
