The General Meeting was called to order by President George Kimmerer on June 20, 1987 at 10:07 in the Clubhouse.

Governors present: Kimmerer, Philblad, ~~Lendelfa~~, Ramirez, Pepe, ~~Bartlett~~, Petersen, Viola, Oliva, Thomas.

Governors absent: Beltran, Morstatt.

Legal: Legal case to be appealed.

Treasurer's Report:	Balance May 1	\$4,525.77
	Income	1,573.67
	Expenses	1,360.39
	Balance June 1	4,739.05

Boat Moorings: Boat Mooring application to be filled out, and photo copy of registration will be needed to obtain slip.

Docks and Beaches: There will be no sand for the beaches. Bass Rock stringers are rotted. Will get an estimate on fixing the docks.

Roads: Bass Rock Road was patched.

Clubhouse: Sale of the Clubhouse was brought up, as it is rarely used and this money could be used to fix up our docks and beaches which are in desperate need of repair. The Bylaws state that the Board can sell the Clubhouse. We will look into the deed. Several of the members are opposed to the sale of the Clubhouse. The Clubhouse is a residential zone. The road will not be sold.

We would like to give a vote of thanks to Agnes for all her help with the Legal case.

The meeting was adjourned at 11:30.

Respectfully submitted,

Nancy Adams
