

WILDWOOD SHORES PROPERTY OWNERS ASSOCIATION APRIL 1987 MEETING

The April meeting of Wildwood Shores Property Owners Board of Governors was called to order on April 20, 1987 at 8:00 pm by Vice President Agnes Philblad.

Members Present: Petersen, Philblad, Landolfa, Morstatt, Pepe, Viola.

Members Absent: Kimmerer, Thomas, Oliva, Bartlett, Beltran, Adams.

Treasurer's Report: Correction to March report: an additional \$628.00 in deposits resulted in income of \$2,376.50 and an ending balance of \$4,889.39.

The current balance is \$7,319.89. The books have been audited by Agnes Philblad up to March 2.

Membership: Agnes visited F. Lyn Peterson. He has not signed membership papers yet.

Boats: Dave Thomas was not present to report on slips. Just for our interest it was mentioned that Smitty's is charging a minimum of \$450.00 for slips, a 20' boat would cost about \$550.00

Legal: We received final judgement papers from Mr. Busche. These are to be signed by Judge Gascoyne in near future.

Clubhouse: New chain is up thanks to Jack Olsen.

New Business: We have received notice from the Board of Health concerning new State legislation on "Public Beaches". We are "defined as "public" by the States definition. There is no way we can afford to abide by all regulations.

Peg Viola will attend borough meeting on this topic. The borough is trying to get relief for small clubs on the lake. Also, we'll contact Cliff Lundin who is President of Lake Hopatcong Protective Assn.

The meeting was adjourned at 8:45.
