Dear Fellow Members:

Another summer season is almost upon us and we're all looking forward to an especially good one. Alan LaMestre has been hired to maintain the four beaches and they are already starting to shape up. By the time, you're ready to put on your bathing suits and hit the beaches, we should be in tip-top shape.

The path on Clearwater Trail leading to Pebble Beach is almost complete, stairs have been installed over the rocks and the entire project should be ready by the 4th of July. This was done to give easier accessibility to residents living on Bonaparte Point and beyond that use Pebble Beach.

The Spring meeting is scheduled for Saturday, June 23 at 10:00 A.M. at the Clubhouse. It is most important that you attend as we have some significant things to discuss, such as the likelihood of turning the water company over to the Borough, and the possibility of extending our membership to the Lines Avenue residents. These are issues that concern every one of us and your views are extremely valuable to us. Please attend and let us know your feelings, good or bad, about these and any other issues you may be considering.

To all of our many new members, do come down to the meeting, find out what we're all about and give us the pleasure of welcoming you to Wildwood Shores.

Eleanor Morstatt, the Entertainment Committee Chairperson, is planning a season opening gala covered dish at the Clubhouse on Saturday, June 30. Anyone interested in helping her will be greatly appreciated and can reach her at 398-5675. More information to follow at the meeting and with a follow-up flyer.

It has become a matter of great urgency that all members and their guests wear their badges at the beaches. We are bound by state legislation to uphold certain rules at our beachfront, and a lack of compliance with the rules could become extremely costly, and could bring about some very unattractive alternatives. In effect, we would be guided by the same type of rules and restrictions that are evident at the State Park or other public beach facilities. That is why it is so important that you take an interest in your property. By your property, I am referring to the docks, the beaches, the Clubhouse, and all those areas that belong to Wildwood Shores Property Owners Association. As a member, you are an owner of those properties.

The revised by-laws should have gone out to every member in late winter/early spring. If you did not receive a copy, please contact Peg Viola at 398-2582 and she will see that you get one. Also, the payment of dues was due by May 1 of this year. Because of revisions that had to be made in the membership list, and a subsequent error, some people may not have received bills. If you are one of them, again, contact Peg and you will receive your bills. Late charges are being waived until the end of June because of this problem.

Rich Blake is the Badge Chairman, and he diligently delivers badges as soon as he gets the dues notices marked "paid". He will be at the Clubhouse before and after the meeting on June 23 to distribute badges to anyone who is entitled to receive them.

Bob Oliva is the Mooring Chairman. There are not many spaces left, but if anyone is interested in mooring a boat this summer, contact Bob and he will try to accommodate you.

We look forward to seeing you on the 23rd of June at 10:00 AM. Coffee, tea and doughnuts will be available for all. Remember, badges must be worn!

Sincerely,

John Krauth, President
W.S.P.O.A. Board of Governors
