Construction:

Stan Bentzen reported The work at Pebble Beach is coming along nicely ,there are a few finishing touches left to be completed. There is a drainage problem with the run off water from the road. The new sand can not be put down until this problem is corrected. The Department of public works has looked at the problem area. If we dig a ditch and provide for the cost of the pipe , the town may consider putting in the catch Basin. There will have to be some emergency repair work at the pool. The wall is cracked, and needs to be repaired.

Club House:

There is money in the budget for one folding table. Mr. Hart wants the outside of the Club House cleaned up . He suggested that maybe the kids can get involved and help with the clean up. Mr. Hart has asked for money to buy crushed stone for the parking area at the Club House.

Docks/beaches:

The Docks at Pebble Beach and Sand Harbour have been stained. Mr. Krauth asked Mr. Hart if he will talk to Mr. Lorenzo about having signs made up for the beaches.

Badges:

John Rita has the badges and will be getting them out .
Possibly He can have some help in delivering them.

New Business:

We welcome Sharon Modick to the board . Sharon will take Lil Reeses place .
Sharon has accepted . Stan Bentzen made a motion and George Petersen second it.

Old Business:

Concerning the matter of the monuments, we received correspondence from Delores Montemarano . She would like some kind of compensation. Mr. Krauth has talked to the people at town hall and their opinion is the monuments are on the right of way . Peg Viola is putting together another letter . Mr. Krauth wants Mr. Petersen to look at the letter before it is sent.

The next meeting will be on June 17, 1992 at the Club House.
