BOARD OF GOVERNORS
Regular Meeting
June 17, 1992

Present : Krauth, Petersen, Viola, Comeau, Hart, Morstatt,
Montalto, Romeo, Modick, Rita.

Absent : McGowan, Bentzen.

The meeting was called to order at 8:15 P.M., by President John Krauth . The minutes of the last meeting were read and accepted.

Construction:

The town public works dept. will provide us with a catch basin and pipe for Pebble Beach . We will have to dig the ditch for the catch basin. We have received correspondence from the town that we are in violation for soil erosion, at Pebble Beach . All land disturbance involving moving soil more than 1500 square feet. At this time we are required to place hay bails at Pebble Beach and apply for a soil erosion permit.

Legal:

We need signs for all the beaches . These are required by law. They must state that we have no lifeguard on duty, no pets , badges required, members and guests only . Mr. Hart has a quote for \$60.00 a piece for signs. Fred Romeo made a motion and George Petersen 2nd the motion.

Moorings:

Slips have been assigned for boats that have been paid for. Eighteen slips have been filled. Mr. Howe has paid for a slip and now sold his boat . That space would like to be used for another boat. We have to approach Mr. Howe in regard to this matter. There was discussion of possibly refunding Mr. Howe's money.

Docks / Beaches:

Alan has cleaned the pool, and bass rock. He will work on the other beaches. The Mayor would like to know how many dock spaces we have at our beaches. He is trying to regulate all dock spaces to make sure they are within the limits.

Badges:

The Badges have been delivered to the members who have paid. It is important that badges be worn on beaches . This matter needs to be enforced. We need to get badges to Lines ave. residents .

Club House:

Mr. Hart would like new stone for the club house. We need to get estimates on prices of stone, before we can decide on this matter.
