

WILDWOOD SHORES PROPERTY OWNERS ASSOCIATION

SPRING MEETING

June 26, 1993

Present : Krauth, Bentzen, Hart, Viola, Montalto, Romeo,
Modick.

Absent : Petersen, McGowan, Comeau, Eaton.

The meeting was called to order at 10:15 AM, by President John Krauth. The minutes of the last meeting were read and accepted.

Treasurers Report:

The Treasurers report was distributed prior to the meeting, and was filed for audit.

Construction:

Stan Bentzen reported that the work at the pool is complete. Additional money was spent on lengthing the drain pipe that runs down the side of the pool. There is alot of maintance that needs to be done, the walkways need to be cleared. If anyone sees something that needs to be fixed and wants to volunteer is asked to do so.

Moorings:

Fred Romeo reported that there are a few slips left. All dock spaces have been numbered. When filling out registration forms for boats slips please fill in all required information.

Docks / Beaches:

New locks have been installed at the beaches. The lock that was installed at Pebble Beach was stolen. The lock has been replaced. Members are asked to call the police if they see anyone suspicious. The police will come if called. Please wait at the beach for their arravial so you can unlock the gate for them. There has been alot of broken Glass at beaches. Art Claudin suggested that we post signs that state NO GLASS BOTTLES.

Entertainment:

The entertainment committee will be running several dinners this summer. There will be a rummage sale on July 24 and 25. Tables will be rented for \$15.00. We will be accepting donations of items for the rummage sale. The swim races will be held once again this year on August 28, 1993.

The childrens committee will be distributing a calendar of events they have planned for the summer.

Club House:

Mr. Hart reported he would like to get crushed stone for the parking lot. It has been discussed that the lot should be paved. Mr. Hart indicated that the Club House is available to rent. Anyone interested should contact Mr. Hart for availability.

Membership:

Sharon Modick reported there are a few new members she needs to contact. If there are members that have any questions about the association Sharon will be glad to answer them.

Badges:

As members pay their dues the badges are being delivered.

Ways and Means:

Sal Montalto reported he is going to run a 50/50 raffle once again this year. The raffle will run ten weeks. In the past \$400.00 has been raised.

Old Business:

We hired a contractor to do work at the pool. He repaired the concrete. We used additional money to add to the drain pipe, that runs along the pool.

Last fall board members and volunteers put a new roof on the Club House. Sand Harbour was cleaned last fall, by volunteers.

New Business:

The collation of lakes association tries to make rules we can live with. We are required by law to post signs that state no life guard on duty. Badges must be worn. We have to enforce these rules. If rules are not enforced we will have problems.

If you see people who do not have badges ask them to leave the Beach.

Maintenance needs to be done. We need volunteers to help us with this.

Several Members have said they do not receive the mailings we send out. We are updating our address list to correct this problem.

There being no further business, the meeting was adjourned at 11:30 AM.
