George Petersen opened the meeting at 8:10 p.m. with notification that the Board of Health filed a subpoena against W.S.P.O.A. for not taking water samples since 1990. Court will be held Friday at noon. W.S.P.O.A. will submit a guilty plea and will start taking samples at each beach every other week at a lab cost of \$25.00 per sample for the rest of the season. Next year the board will make arrangements to have a testing lab come in and take samples once before the summer season, once during and once at the end.

Joe Baton will not participate in elections at the annual meeting. He has resigned from the board.

club house:

Bill does not want a person who booked a date for rental of the club house to have the key as stated in the last meeting's minutes. A board member holding a key should be called to let renters in. Fees for renting the club house were discussed. The rental fee will be \$25.00 with a \$25.00 security deposit refundable if the club house is cleaned after use. This fee is only for private parties. There will be no fee for members wishing to use the club house for get togethers; card games, bingo, ect.

badges:

Jim would like to send a letter in January with the dues bill stating that badges will not be delivered. They may be picked up at the spring meeting or at Jim's house. Jim will deliver by special request those who are physically unable to pick them up.

construction:

Stan submitted prices for work on the club house kitchen rounded to \$1,000.00. He would like to start work in October.

There being no further business, the meeting was adjourned at 9:35 p.m.
