*Donated
\$10.-
10/18/48*

October 7, 1948

Dear Member:

Our beaches and docks, such as Pebble Beach, the pool, etc. are badly in need of repair and maintenance. As most of the members are aware, the lake level has been dropped in order to make necessary repairs; this event only happening every ten years.

In spite of greatly increased costs, your Board of Governors has worked unceasingly to keep the membership fees at the original level. If at all possible, this policy will be maintained. However, at this time it is necessary to appeal to all members of the association on the basis of a voluntary donation of \$10 or more per member. In view of the fact that our dues remain at their original figure, I am sure that you will agree that \$10 is a very modest request.

If the repairs are not made during the present lowering of the lake level, they will have to be made during the next few years at several times their present cost. This will not be an annual request. All repairs must be made before the end of October, so please mail your remittance promptly to H. T. Swensen, Treasurer, 492 Fairview Avenue, Orange, New Jersey.

Very sincerely,

Geo. E. Keiser
President
