Dear Member:

Since the summer is rapidly approaching, we all think of Wildwood Shores and therefore I write you a letter.

We are sending you a copy of the restrictions which are part of our deeds and agreements. This is nothing new, however, many inquiries are received as to just what we did sign when we bought our properties so it was felt advisable that we list them for you.

Don't think you need this Ray.

In line with this we would like to call your attention to the provisions regarding renting. If you plan to rent your property, please see that a membership application is sent in. It makes it difficult for our badge committee to do their job if they do not have an up to date membership list. Any Board member will be glad to help you get a blank.

Our badge committee, Mr. J. Lowery and Mr. J. Lewis, will have badges ready for distribution by the time you are here for the summer. In addition badges will also be available to all members in good standing from Mr. Johnson, treasurer, and Mrs. Hazmuka.

The boat docking situation has become a headache since funds are never available to repair or build additional boat berths. Therefore, in fairness to boat owners who need mooring space and in fairness to those members who do not have boats, a fee is being charged for all users of Association boat moorings.

Our annual spring membership meeting will be held on Sunday, June 6 at 1:30 P.M. in the Hopatcong firehouse #3, River Styx Rd. I hope you will attend.

The following is a list of the officers and Board members.

As for those dues; they are officially payable on May 1, 1954. However, why don't you send your check now payable to Wildwood Shores Property Owners' Asso. and mail to Box 601, Hopatcong, N.J. Our treasurer, Mr. Johnson, will have his work much simpler if you do. To those who have already paid their 1954 dues, thank you. It is a good feeling to know that neighbors think enough of our community to send their check in before they are asked.

Before I close I would like to publicly thank the members of the Board and those other people who have devoted their time during the past winter planning and arranging for our improvements. Many a Sunday and evening have been given up and you deserve our thanks.

Don't forget the meeting on June 6 at 1:30 P.M.

W. Hasmuka, Pres.
