Good Morning Members and Friends!

Due to circumstances beyond my control, I am unable to be with you this morning, however may I welcome you to our Annual Fall meeting.

Your most capable Vice-President, Mr. Ed Crowe, will chair the meeting this morning. He and the board of governors will give you a full detail of our past activities.

In the name of the board of governors, may I thank each and every one of you for your co-operation during the past year.

At this time, I would like to thank the members of the board and the chairmen of the various committees who have served you and me so efficiently and unselfishly during the past year.

This morning you are going to vote on the changes to the constitution. Your board of governors have spent much time on these changes and we feel that they will add strength to our association and be most beneficial to all the members.

At this time, as in the past, all of this years standing and special committees are dissolved with the thanks and gratitude of the entire board of governors.

Again, my personal thanks to you all for your co-operation.

May God Bless You!

J. J. Krauth
President, W.S.P.O.A.
