

Greetings:

Your Board of Governors extends to you Christmas Greetings and Best Wishes for your happiness in the New Year.

Highlights of our Officers and Committee Chairmen:

The President's Corner

Since the Election, which took place at the General one, four Board Meetings have been held. During the year, the Members of the Board are constantly working in your behalf.

The resignation of two members of the Board necessitated the appointment of Mr. Myers and Mr. Claudin to replace them.

The Board of Governors is a working unit representing you; therefore, if you have any suggestions or ideas for improvement of our Community, do not hesitate to contact any member of it.

The Secretary-Treasurer's Corner

A rather large amount of delinquent dues was still outstanding at the time of our "Fall Meeting" in September of this year. Fortunately, in most cases, a simple reminder was all that was necessary to stimulate payment. The result is that over 65% of outstanding delinquent dollars have been received. Since the payments continue to come in, we sincerely hope to report 100% paid up membership in our next letter. Some of you can make this a certainty; so why not?

Gene Bacquet

Membership Committee reports two new members have been approved by Wildwood Shores Property Owners' Association since the "Fall Meeting".

Mr. and Mrs. Lord to Mr. and Mrs. B. LeGrecca and Mr. and Mrs. John Ciarmello and A. Nichols to Mr. and Mrs. Donaldson.

Bill Honchar

Docks and Beaches Committee reports that, although snow may be expected any day, your Committee is thinking of swimming and boating.

We have contracted to remove rocks from Sand Harbor and Pebble Beach; to repair both of these docks and also the retaining wall at Pebble Beach.

Major repairs are in progress at the Pool. You won't recognize the "ole swimming hole" next summer.

Association Property and Surveys

In our continuation to delienate Association Properties we have made, a preliminary survey of the newly acquired Doran Property next to the "Pool". We have also completed the survey for the Bonaparte Point Beach Property.
